Here's some basic tips to getting started if you're a complete n00b: The game allows you to enter a map, most commonly with 2 other players, in a 3v3 set up (this depends on the events, but we'll get to that in a minute). You play as a Brawler. These Brawlers are the game's characters. There are currently 15 Brawlers available. You start with one and as you play you unlock new brawlers. These brawlers also have different types. Some are fighters or healers while others are assassins or sharp shooters. Each brawler has an Attack, Super and Star Power. One of our favourite n00b brawlers is Nita. The evil little kid in the bear hat. She is able to rupture or play overbearing depending on what you need but her Star Power is Bear With Me \*\*101% WorkinG BRAWL STARS FREE GEMS GENERATOR 2025 nO vERIFICATION nEW UPDATED BRAWL STARS FREE GEMS GENERATOR CODES TOOL
